Good Morning Amber.

I ended up contacting Tim Wilson for assistance. He indicated I should send you an email letting you know Muscatine Center for Social Action (MCSA) would be applying for the 2017 Iowa Balance of State CoC grant. Please let me know if you need anything else from MCSA in regards to a letter of intent. Tim also emailed me the 2017 application.

Thank you and have a great day.

Bonnie

Hi Amber,

I left you a phone message, but this might be a better avenue to reach you.

Can you send me a link for the 2017 Iowa Balance of State CoC Letter of Intent form for a new project? I was forwarded one for renewal expansion projects.

Also, when I click the link on your website for the 2017 New Project Applications, there are no links under that heading allowing me to apply. Can you lead me in the right direction?

Thank you,
